RESUME

Robert, as a Rolex trained watch repairer, offers the full range of services and repair of Rolex watches. He is one of a few independent repairers with access to genuine spare parts direct from Rolex.

Robert has owned and managed his watch servicing business since 1975. His professional qualification was achieved by practical examination in 1977: MBHI Member of the British Horological Institute.

Further professional development has included Omega Watch Company London, ETA Watch Factory in Switzerland, Rolex Watch Company UK & British Horological Institute Education Trust.

Robert is an active committee member of the South West branch of the BHI and is involved in education and mentoring.

MAP AND DIRECTIONS

From Plymouth: Approach St Austell on A390, turn right onto A391. At 3rd roundabout turn left to Carclaze.

From Truro: Approach St Austell on A390, ignore signs to town centre. Continue for 2 miles. Turn left onto A391. At 3rd roundabout turn left to Carclaze.

From the North: A30 to end of Bodmin Bypass, turn left, follow A390, through Bugle & Stenalees to St Austell. Straight across at Eden roundabout. Turn left at next roundabout. Turn right at 2nd roundabout to Carclaze.

Carclaze to Robert Reeves:

Proceed down steep hill, bungalows on left, houses & tall chimney on right. At mini roundabout turn left into Phernyssick Road. Turn right into St Piran's Close. Turn right into cul-de-sac. No 14 is 5th house and straight ahead. Parking is available on the drive.
